What is PRONTO?

PRONTO is the easy way to pay for transit on MTS and NCTD. Riders can use a PRONTO card, or the PRONTO mobile app.

PRONTO Card

PRONTO cards cost \$2 at ticket machines, retail outlets, online or the MTS Transit Store. At the time of purchase, riders need to load a minimum value onto their PRONTO card (\$3 online or ticket machine; \$5 at retail outlets.) Riders can load money (or pre-pay for a Month Pass) instantly online at RidePRONTO.com, on the mobile app, at ticket machines, retail outlets, the MTS Transit Store, NCTD Customer Service Centers or by calling the PRONTO Support Center.

PRONTO Mobile App

The PRONTO mobile app is available for download on Apple and Android phones. Riders may add a payment method (credit or debit card) at the time of registration. Riders will have a virtual PRONTO card (\$0) in their mobile app that can be reloaded with money or a Month Pass instantly.

Setting Up a PRONTO Account

Riders should set up a PRONTO account online at RidePRONTO.com after they have their PRONTO card (or login using your mobile app credentials.) Setting up an account allows users to manage payments, track progress toward earning Day or Month passes, and get balance protection should their card be lost or stolen.

You will need an email address to set-up a PRONTO account online. (Riders without an email address can register their card in-person at the Transit Store, or over the phone at 619-595-5636.)

Using PRONTO

TAP OR SCAN - REQUIRED BEFORE BOARDING

Riders must tap their PRONTO card or scan their PRONTO mobile app prior to every trip or transfer. It's the only way to earn a two-hour free transfer, Day and Month passes. Tap or scan at station and vehicle validators or station Ticket Machines. Failure to tap or scan may result in a citation.

Pay-As-You-Go & Earn the Best Fare

With PRONTO, you can load money to your PRONTO account and pay-as-you-go to always get the best fare! Load money onto your PRONTO card or mobile app, then tap or scan every time you ride. You'll never pay more than you need to in a day or month.

- A one-way fare will be deducted each trip (free transfers for two hours)
- Once you reach the Day Pass value, you will not be charged the rest of that day
- Once you reach the Month Pass value, you will not be charged the rest of that calendar month

Free 2-Hour Transfers, only with PRONTO

With a PRONTO card or mobile app, one-way fares are valid for unlimited transfers between buses and Trolleys for two hours. The next time you ride after the initial two-hour window, another one-way fare will be deducted. (One-way fares paid in cash without a PRONTO card do not include free transfers, or contribute to earning a Day Pass.)

PRONTO Reduced Fares

By default, PRONTO cards are set to 'Adult.' Riders who qualify for a discounted or free fare (Senior, Disabled, Medicare or Youth), need to verify their eligibility and have their card or app account converted to an SDM or Youth account. Riders can do so:

- Online at RidePRONTO.com
- In-person at the MTS Transit Store or NCTD Customer Service Center
- Over the phone with PRONTO Support (619-595-5636). **One-time, temporary eligibility only.**

Riders applying for an SDM or Youth fare can use the following documents for eligibility.

Youth: Valid California ID Card, CA Drivers License, Birth Certificate, Current SD County K-12 school photo ID or enrollment form. Youth Eligibility: Age 18 & Under (kids five and under ride free.)

Senior: State Drivers License, California Senior ID Card, NCTD Senior ID, MTS S/D/M Senior ID Card, Government Issued Passport. Senior Eligibility: Age 65+.

Persons With Disabilities

or Medicare: Medicare Card, SSI Award letter (with government issued photo ID), NCTD Reduced Fare IDs, DMV Placard Registration Card (with state issued photo ID), Veterans Administration Award Letter (needs to show that a minimum of 50% of your disability is service-related), or MTS Approval Letter. Note: a MediCal Card is not a valid ID.

Once verified as an eligible SDM or Youth rider, people no longer need to travel with proof of eligibility. However, if riding with a temporary reduced fare, please travel with proof of ID. Any rider using a reduced fare without showing proof of ID, or traveling with an invalid reduced fare (i.e. someone else's card), is **subject to citation and the confiscation** of the reduced fare media. A rider has 72 hours from the time of citation to show proof of eligibility in order to have the pass returned and/or the citation voided, as indicated by California Penal Code Section 640(B).

Forms are available online and at the MTS Transit Store and NCTD Customer Service Centers.
